

Student Name: _____

Discussion: Cooking

1. 'Jack ate the duck for dinner.'

What other birds do we eat?

Do you know any recipes for cooking duck? Or for cooking other birds?

2. Some people said that Jack could eat the snails to get rid of them.

Do you think this is a good idea?

Have you ever eaten snails?

Do you know how to cook them?

Find a **recipe** for cooking snails. How do you think it would taste?
